Case No. 2:20-cv-06207-JMY

v.

Third Amended Complaint

Umar Johnson, Frederick Jallah
& Shakim Harris, Defendants

Jury Requested

Plaintiff:

August Archibald

Defendants:

- No. 1: Umar Johnson, in his official and individual capacity.
- No. 2: Frederick Jallah, in his official and individual capacity.
- No. 3: Shakim Harris, in his official and individual capacity.

Jurisdiction:

In accordance with 28 U.S. Code § 1331, the district courts have original jurisdiction. In accordance with 28 U.S. Code § 1343, § 1367 and § 1391(b)(2), the district courts have supplemental jurisdiction.

Background Information:

1. Umar Abdullah-Johnson ("Johnson") (born "Jermaine Shoemake") is the founder of the Frederick Douglass & Marcus Garvey Academy (commonly known as "FDMG"). FMDG was incorporated in 2014 in the state of Pennsylvania. FDMG promotes itself as a "school" for Black Boys with misdiagnosed behavioral disorders.

2. Under the FDMG organizational umbrella is a group known as the "Good Guys". The Good Guys consist of Shakim Harris (aka) "Shakim Ra", Frederick/Fredrick Jallah (aka) "Poetik Flakko", Dempsey Derell Spears (aka) "D Derell", Christopher Whiteside (aka) "C Roc Smooth", Claudia Porsha Taylor, Larry Herd/Hurd, Stephen Gitano and several others.

3. The FDMG Good Guys function as a FDMG support apparatus and goon squad. The FDMG Good Guys provide doxing, defamation, intel, harassment, slander and other nefarious services in support of Umar Johnson and FDMG.

4. The Good Guys are directly connected to Umar Johnson. FDMG associate, FDMG "Loyal Donor(s) Club" administrator and FDMG "Ifatunde University" alumnus - Tiffany Ebony Griffin (aka) "Auntie Tiff"/"Tiff" - is also a "Good Guys" member; holding the title of "First Lady".

5. There are other members of the FDMG Good Guys who hide behind various aliases and pseudonyms, including but not limited to, "T.C.", "Speakeasy", "Worldwide", "Oracle", "T Pri" and several others.

6. The Good Guys came into existence after two pivotal incidents in 2020 where Umar Johnson demanded that his FDMG supporters obtain the real names and home addresses of his "haters" (a word commonly used by Johnson to describe his critics, detractors and/or doubters).

7. Umar Johnson called upon his supporters to form the FDMG "Bureau of Investigation" (labeled by Johnson as the "FDMG FBI"/"FDMG CIA") to investigate, target and attack anyone that Johnson identified as a FDMG "hater" (i.e. critics, detractors and/or doubters).

Umar Johnson's Criminal Record:

8. Umar Johnson has publicly stated that he does not have a criminal record. Public records strongly suggest otherwise.

9. As per information provided by reliable sources, Umar Johnson apparently does have a criminal record. Umar Johnson appears to have an extensive criminal record that includes offenses related to child endangerment and drug possession.

10. A popular online video (viewed nearly 30,000 times) titled "Dr Umar Johnson Exposed" published by YouTube platform "Kia Greene" ("Greene") documents Umar Johnson's name (and other identifying information) being run through the background service known as "Instant Checkmate".

11. Greene's background check (conducted in May of 2019) revealed several criminal offenses, including but not limited to, traffic tickets for speeding, possession of cocaine in Georgia (2018), criminal trespassing (entering structure) in Pennsylvania (2003), possession of a controlled substance (2009), fugitive from justice in Pennsylvania (2000), criminal

attempted trespassing (2003), aggravated assault (2012), endangering the welfare of children (parent, guardian or other) (2012) and retail theft (2013).

12. With respect to alleged criminal offenses related to illegal drugs; Umar Johnson is alleged to have a cocaine addiction.

13. With respect to alleged criminal offenses related to trespassing; Umar Johnson routinely records himself (on video) conducting so-called "school tours" of abandoned buildings. Johnson rarely records himself with any real estate agents or brokers. Johnson rarely records how he gains access to enter these buildings.

14. With respect to alleged criminal offenses related to endangering the welfare of children; Umar Johnson has publicly admitted that he cannot visit with one of his children unless the visit is supervised.

15. With respect to the quality, reliability and integrity of Instant Checkmate's background check information; the company ("Instant Checkmate Inc.") has an "A+" rating at the Better Business Bureau ("BBB"). Instant Checkmate has favorable reviews from the Google App store, TechRadar and Capterra.

16. Instant Checkmate Inc has been sued for providing too much information criminal record information (specifically information involving expunged and sealed criminal records). It is unknown as to whether portions of Umar Johnson's criminal record have been expunged and/or sealed.

FACTS:

Umar Johnson's Behavior:

17. Umar Johnson (pictured, right) has an extensive public history of insulting, patronizing, demeaning and threatening his critics and detractors. Johnson publicly claims to have a "pull up team", "ski mask club", and "goonie goons".

Umar Johnson's Nationwide Threat:

"the 2020 FDMG Good Guys Call to Arms"

18. In 2020, Umar Johnson publicly demanded the personal addresses of his detractors (referred to by Johnson as "the haters").

19. Umar Johnson instructed his FDMG associates, supporters and followers to procure the address locations of his critics and detractors/"the haters" for the purposes of Johnson "pulling up" (i.e. a direct engagement with the intent of threatening another person and/or engaging in violence against another person).

Transcribed Excerpts from Johnson's 2020 Video:

All of the following statements were made by Umar Johnson in direct reference to his detractors.

In reference to YouTube Detractor #1 Umar Johnson stated:

"Find out where he work. I'm going to see him when I get to D.C. this weekend."

"Find his address ... and get that shit to me"

In reference to YouTube Detractor #2 Umar Johnson stated:

"Find that coward's address; work or home. Find it. I'm pulling up on him."

In reference to Detractor #3 Umar Johnson stated:

(Johnson identifies this person as a former co-worker)

"He a lil' bitch ass nigga from Philly. Find that Bitch ass nigga 'cause he started this."

"I haven't forgotten about you, okay. I'mma see your bitch ass."

In reference to YouTube Detractor #4 Umar Johnson stated:

"She's the one on YouTube. I wanna pull up on her."

In reference to YouTube Detractor #5 Umar Johnson stated:

"I'm tired of this bitch nigga too. I've had enough of him too."

In reference to (possible) YouTube Detractor #6 Umar Johnson stated:

"Imma fuck him up too"

In reference to all of the aforementioned people Umar Johnson stated:

"I need home addresses. I need job addresses. Find these six people for me"

Related: "YouTube Detractor #6" (aka "MW")

20. It is uncertain as to whether "Monty Woodgrain" ("MW") (real name: "Lamont Hailey") is an Umar Johnson detractor.

21. Umar Johnson has publicly insulted MW's physical appearance (multiple times), describing MW as "ugly", "retarded-looking", appearing to have "down syndrome" and allegedly looking like a real-life "garbage pail kid".

22. Umar Johnson's supporters have publicly alleged that MW has a chronic and incurable sexually transmitted disease (alleged to be HIV/AIDS by FDMG Good Guy Frederick Jallah (aka) "Poetik Flakko").

23. MW is well known for making questionable homoerotic media content, including but not limited to, a verified video of MW simulating gay sex with a male blow-up doll - using a pink colored vibrator to simulate sodomy on said blow up doll. (credit: "TJS" and "SL")

24. The aforementioned insults and attacks by Umar Johnson and his supporters have not deterred MW from appearing to indirectly support Umar Johnson. MW produces media content that criticizes Umar Johnson's critics and detractors.

Umar Johnson's FDMG "Good Guys":

25. Umar Johnson's public tirades have encouraged his supporters, sympathizers, defenders, and protectors to target, harass, stalk and attack his critics, detractors, doubters and "haters".

26. After the filing of this lawsuit, Umar Johnson's FDMG Good Guys (interchangeably known as the FDMG "Umarians") publicly conflated my identity with Umar Johnson's critics and detractors; namely "Lenon Honor" ("LH"), "Gerald Palmer" ("GP") and the YouTube platform "Anti Afro Svengalis" ("AAS").

27. After the filing of this lawsuit, several attempts were made by the FDMG Good Guys to dox, harass, stalk, intimidate, threaten and retaliate against Archibald (and people believed to be associated with Archibald). Umar Johnson has alleged that Archibald's name is "David Bruce" from "Bridgewater, NJ". Johnson has alleged that this lawsuit was an attempt to prevent the rise of a "Black Messiah". Johnson has recently identified himself as Jesus Christ.

28. Umar Johnson's "Book of Negros" is a dossier containing the names, addresses and personal information of people that Johnson has identified as his adversaries, enemies, haters, critics, detractors, doubters, etc. After the filing of this lawsuit "August Archibald/David Bruce" was added to Umar Johnson's "Book of Negroes".

29. After the filing of this lawsuit, Umar Johnson's FDMG Good Guys publicly stated that they were going to "investigate" and "strike back" against Archibald on behalf of Umar Johnson. Their attacks have expanded to include LH, GP and AAS; who are all being targeted (in various ways) by Umar Johnson and his FDMG Good Guys.

30. "Shakim Ra" (aka) "Menkau Shakim Ra" (aka) "Shakim Ra Harris" (aka) Shakim Rashiem Harris (real name) publically entertained the idea of hiring a computer hacker to "expose" Archibald (and AAS) for filing this lawsuit against Umar Johnson.

31. Harris has publicly displayed a malicious penchant for attacks against Umar Johnson's detractors and critics.

32. Harris took to the internet (specifically YouTube) to publically document his filings of multiple fictitious complaints against LH. Harris filed these complaints believing that he was also retaliating against August Archibald (as stated by Harris). Harris has alleged that August Archibald ("Archibald") and LH are the same person. Harris has also alleged that GP and AAS are Archibald.

33. Harris has alleged that LH, GP, AAS and Archibald are conspiring to "take down" Black Men (specifically Umar Johnson) and Black Businesses (specifically FDMG and Harris's Amen Ra University/Amen Ra Elementary). Harris has publicly stated (multiple times) that his made-up complaints were acts of retaliation and revenge against LH, GP, AAS and Archibald.

34. Controversial online personality, "CD Fury" (aka) Raymond Roy Bradshaw, confirmed that Harris was engaged in a retaliation and revenge campaign against LH.

35. Harris has provided step-by-step video tutorials (via YouTube), detailing how to file fictitious complaints at the federal, state and local levels of government against the aforementioned targets (i.e. Umar Johnson's critics, detractors, doubters, haters, etc).

36. On January 18, 2021 Harris announced that his unsubstantiated fraud complaints against Umar Johnson detractor LH (and LH's Family) were being investigated by a state government. Harris made his anti-Black Family investigation announcement on the same day that this country officially celebrated the birthday of Black Civil Rights Leader Dr. Martin Luther King, Jr. ("MLK") in 2021.

37. Umar Johnson's close confidant and FDMG associate, Tiffany Ebony Griffin ("Griffin"), publicly praised Harris's malicious efforts against LH.

38. Umar Johnson has routinely encouraged his FDMG Good Guys, as well as their associates and supporters, to engage in these types of attacks against the aforementioned targets.

39. Umar Johnson bears responsibility for the actions of his FDMG Good Guys. Umar Johnson publicly made requests for these types of actions and events to take place against his critics, detractors, doubters, etc. Umar Johnson has identified LH, GP and AAS by name. Umar Johnson has identified Archibald (as an FDMG adversary) in two public references about this lawsuit. This civil suit has exacerbated various types of attacks against Umar Johnson's critics, detractors, doubters, etc by the FDMG Good Guys.

40. Johnson has repeatedly referred to his critics, detractors and doubters as "Niggers", "Coons" and "Agents" of the white establishment. The FDMG Good Guys have adopted and mirrored Umar Johnson's contempt for Black people.

41. Shakim Harris has publicly admitted to communicating with Johnson via email and text message. Harris has publicly stated he would use his own money to help Umar Johnson "take down" LH and people who are believed to be associated with LH.

42. In March of 2021, Harris stated that he had setup a "Fund" with Umar Johnson aimed at "dismantling" LH, GP, AAS and Archibald. Harris further stated that both him and Johnson had other "plans" in the works to attack LH, GP, AAS and Archibald.

43. After making these statements, Umar Johnson's close confidant and FDMG associate - Tiffany Griffin - advised Harris not to disclose his plans to attack LH, GP, AAS and Archibald in public. FDMG Good Guy Frederick Jallah ("Jallah") (nicknamed as "The Sniper") was in attendance at this meeting as well.

44. Similar to Umar Johnson, Harris owns and operates a non-accredited so-called "school", known as the "Amen Ra University" for adults. Harris also promotes "Amen Ra Elementary" for Black/African-American children.

45. Harris's "school(s)" offer up misinformation about Ancient Egypt, "Magic Spells" and dangerous HIV/AIDS denialism.

46. Harris has provided no verifiable proof (beyond his own self-serving claims) to confirm that his "Magic Spell" products actually work. Harris has provided no verifiable

proof (beyond his own self-serving claims) to substantiate his beliefs about HIV/AIDS. It could reasonably be argued that Harris's Amen Ra "school(s)" are fraudulent.

47. Shakim Harris is an HIV/AIDS denialist. Harris promotes HIV/AIDS denialism to the Black community through his Amen Ra University. Harris promotes HIV/AIDS denialism to Black Children through his Amen Ra Elementary.

48. There is no clear line of delineation between Amen Ra University and Amen Ra Elementary. It appears as though both "school(s)" are one-in-the-same.

49. Shakim Harris stated that he was hospitalized and "on his deathbed" for an unknown illness in early 2021. Shakim Harris subsequently stated that his unknown illness was "not cancer". After his hospitalization, Harris appeared on camera with bumps on his face and neck resembling bumps associated with molluscum contagiosum.

50. HIV/AIDS denialism is **dangerous**. Well-known HIV/AIDS denialists Christine Maggiore and Ray Sharkey openly lied about the disease in public and recklessly infected other people (with HIV) prior to their own respective deaths from complications due to AIDS.

51. Harris, through his Amen Ra "school(s)" of misinformation, has irresponsibly promoted product(s) such as colloidal silver for the treatment of HIV.

52. The buildup of silver particles in the human liver can cause argyria; a medical condition that causes the skin to appear blue-gray in color. Silver deposits can also build up in the intestines, kidneys and other vital organs.

53. Shakim Harris's misinformation about HIV/AIDS is **EXTREMELY DANGEROUS** and **should not** be promoted to the Black/African-American Community (or any Community) in any way, shape or form (emphasis added).

54. Dissention within the ranks of Umar Johnson's FDMG Good Guys is common. On March 18, 2021, FDMG Good Guys captain "T.C."/"T.C. T.V" took issue with Harris in an online video titled "...time to put Shakim Ra in his place..."

55. In the video, T.C. accused Harris of being a closeted homosexual, HIV positive and selling fraudulent products through his Amen Ra "schools".

56. Quoting T.C.: "*I gotta question whether or not you're a faggot!*" in reference to Harris's sexuality. Quoting T.C.: "*maybe he's Magic Johnson...*" in reference Harris possibly being HIV-positive.

57. Frederick Jallah ("Jallah") (aka) "Poetik Flakko" was featured in T.C.'s video. Jallah's presence in the video is odd, given that he publicly claims to support Harris.

58. Jallah recently stated that he is no longer associated with Umar Johnson's FDMG Good Guys. Jallah's recent actions do not appear to match his statements.

59. After the filing of this lawsuit, Jallah quietly reactivated his campaign(s) to attack Umar Johnson's critics, detractors, doubters, etc - declaring "war" on GP.

60. Most recently, Jallah requested information about GP; fraudulently claiming that GP's employer had requested this information.

61. Jallah's request for information ("RFI") is tied to a false, defamatory and slandorous narrative (alleged by Harris) about GP.

62. Harris's falsified narrative involves a manufactured complaint and emails (created by Harris), alleging that GP had inappropriate dealings with college students.

63. Harris has repeatedly failed to produce his "exclusive" interview with GP's (non-existent) "victims". There is no pending lawsuit by these (non-existent) "victims". There is no pending investigation by any authorities in GP's state of residence.

64. GP has been identified (several times) by Umar Johnson as a target. Harris, Jallah and several other FDMG Good Guys have actively participated in leveling various anti-Black themed attacks against GP's employment and related businesses. Harris, Jallah and several other FDMG Good Guys have repeatedly associated GP with the filing of this lawsuit. GP has been linked to LH, AAS and Archibald.

65. LH has been on the receiving end of similar fraudulent anti-Black themed attacks by Harris, Jallah and other FDMG Good Guys. Similar to GP, various narratives about LH (alleged by Umar Johnson, Jallah, Harris and the FDMG Good Guys) have proven to be untrue, falsified and fraudulent.

66. Jallah used manufactured evidence (including, but not limited to falsified text messages) along with actors (obtained through Craigslist) who were paid to read from scripts (authored by Jallah and other FDMG Good Guys); alleging so-called "events" that never took place.

67. After the filing of this lawsuit Harris, Jallah and the FDMG Good Guys enhanced their attacks against LH.

68. LH has been identified (several times) by Umar Johnson as a target. Harris, Jallah and several other FDMG Good Guys have actively participated in leveling various attacks against LH. Harris, Jallah and several other FDMG Good Guys have repeatedly associated LH with the filing of this lawsuit. LH has been linked to GP, AAS and Archibald.

69. Umar Johnson's FDMG Good Guys claim to be heterosexuals. Nevertheless, the FDMG Good Guys routinely attempt to fraudulently portray Umar Johnson's critics, detractors, doubters and haters as homosexuals. This is odd.

70. Umar Johnson's FDMG Good Guys exclusively target Black People, Black Employment and Black Businesses. They have interfered with several contractual relationships related to employment, housing, commerce, licensing and business; attempting to adversely affect Black People that Umar Johnson has identified as "haters".

Umar Johnson's FDMG "Pull Up Team" Announcement:

This Video was Rebroadcasted by Christopher Whiteside (aka) "C Roc Smooth". This is one of two early 2020 incidents that gave rise to Umar Johnson's FDMG "Good Guys" Goon Squad.

LINK: <https://www.youtube.com/watch?v=W3f3B8bdXvc>

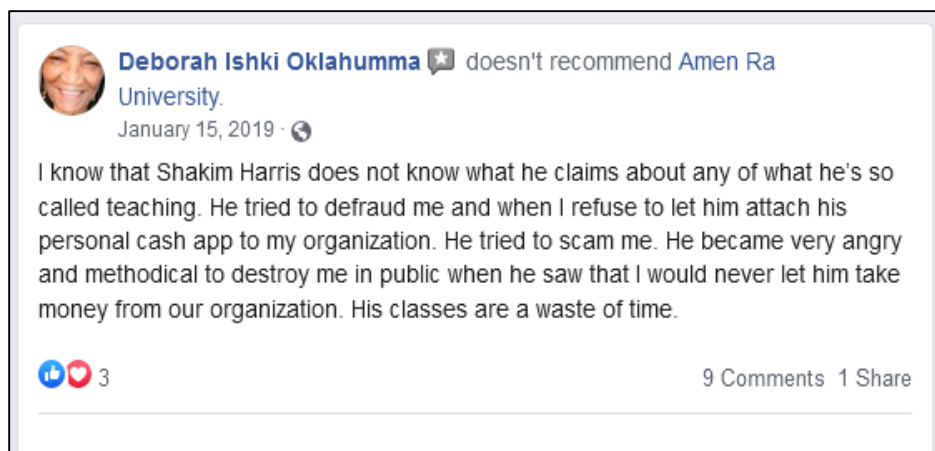

While Whiteside claims that this video is not for "attacks" against Umar Johnson's detractors, the language in the video suggests otherwise.

Umar Johnson: "Her name is Andrea Stewart ... A-N-D-R-E-A Stewart ..."

Christopher Whiteside: "We Got Her ... We need a Picture too! We need her Picture So We Can Leak It"

Similar to Umar Johnson and other people affiliated with Umar Johnson, Shakim Ra Harris's credibility, past history and other dealings with the Black/African-American Community and African Community are highly questionable.

Deborah Ishki Oklahumma Ben Seti I believe he is indeed an agent. The entire time I met him he was at Wayne state- he as a Wayne state ID, giving him full access to their facilities, but he attended no classes. He used the young lady that worked with me to set me up and humiliate in the open food court by loud talking me and accusing me before foreigners who would never humiliate their elders in public. Yet this man wants to teach our ancient cultures, witchcraft and money mongering to our children. We must continue to expose him.

[@Anti Afro Svengalis](#) And [@Lenon Honor](#) are having a bad week. After going on a promo trying to get everyone to watch Taz's the Woman beater's live stream about the lawsuit, their comrade [@Make A Change](#) has double down on the Lawsuit being TRASH and unintelligible GARBAGE. Throw your lawsuit in the trash 🤔🤔 we know for a fact you and Lenon filed it.. Lenon in particular is whose name is associated with the lawsuit.

In an cynically-toned and partially staged YouTube show (streamed live on **February 7, 2021**), host Raymond Roy Bradshaw ("Bradshaw") (aka) "CD Fury" (aka) "Conspiracy Dude" (aka) "Roy Brown" aided and abetted FDMG Good Guy Shakim Harris in the furtherance of his Umar Johnson-related attack campaign against LH.

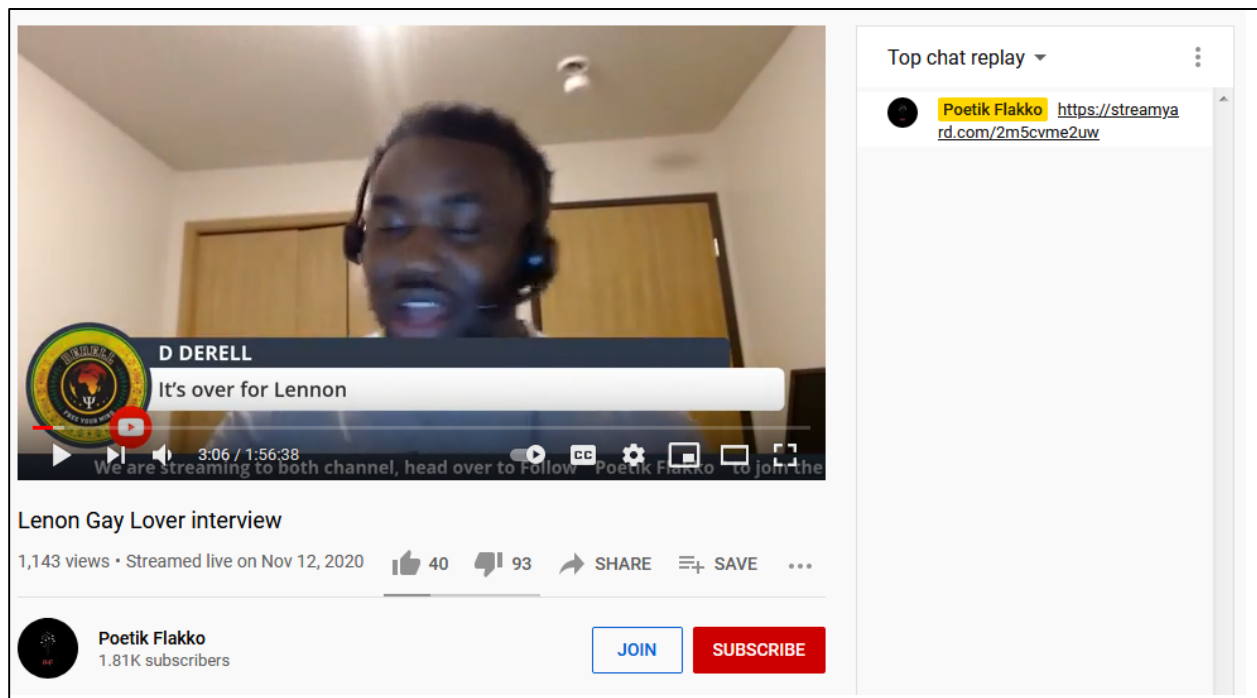

Bradshaw, repeatedly heard snickering during the show and trying to hold back his laughter, pretends to position himself as a "neutral" third-party. Bradshaw, without any tangible evidence, boldly states that Harris's allegations about LH are credible. Bradshaw confirms that Harris is retaliating against LH. Bradshaw and Harris make several direct references to this civil suit, reasserting Harris's claim that the lawsuit is tied to LH and people associated with LH.

Raymond Roy Bradshaw is well-known for his many FAILED Go Fund Me campaigns, his mediocre rapping skills and his alleged marriage-for-citizenship scam(s) in the United States.

Dempsey Derrell Spears ("Spears") (aka) "D Derrell" is an alleged ringleader of Umar Johnson's FDMG Good Guys. Spears is ranked as a FDMG Good Guys "General". Spears is often referred to as "unc" (short for the word "uncle") by his adoptive nephew Frederick Jallah (aka) "Poetik Flakko". Spears is believed to be one of Jallah's handlers.

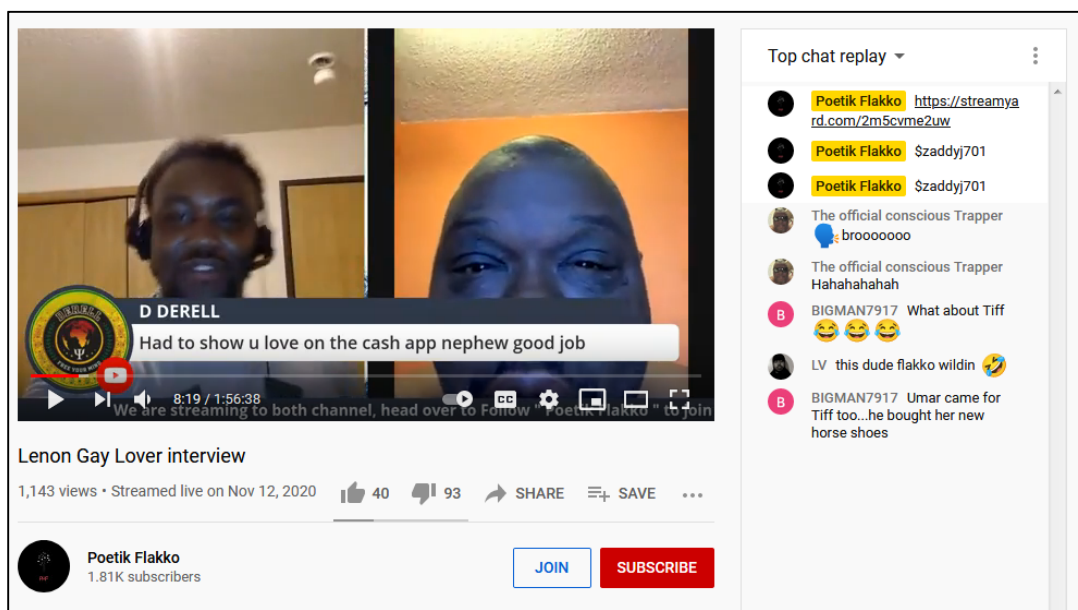

Umar Johnson's FDMG Umarian/Good Guy:
Dempsey Derrell Spears, age 43, (aka) "D Derrell"/"Haters Everywhere"

"StarGate Come Home?"

FDMG Good Guys: Frederick Jallah, age 23, and Larry Hurd/Herd, age 48.

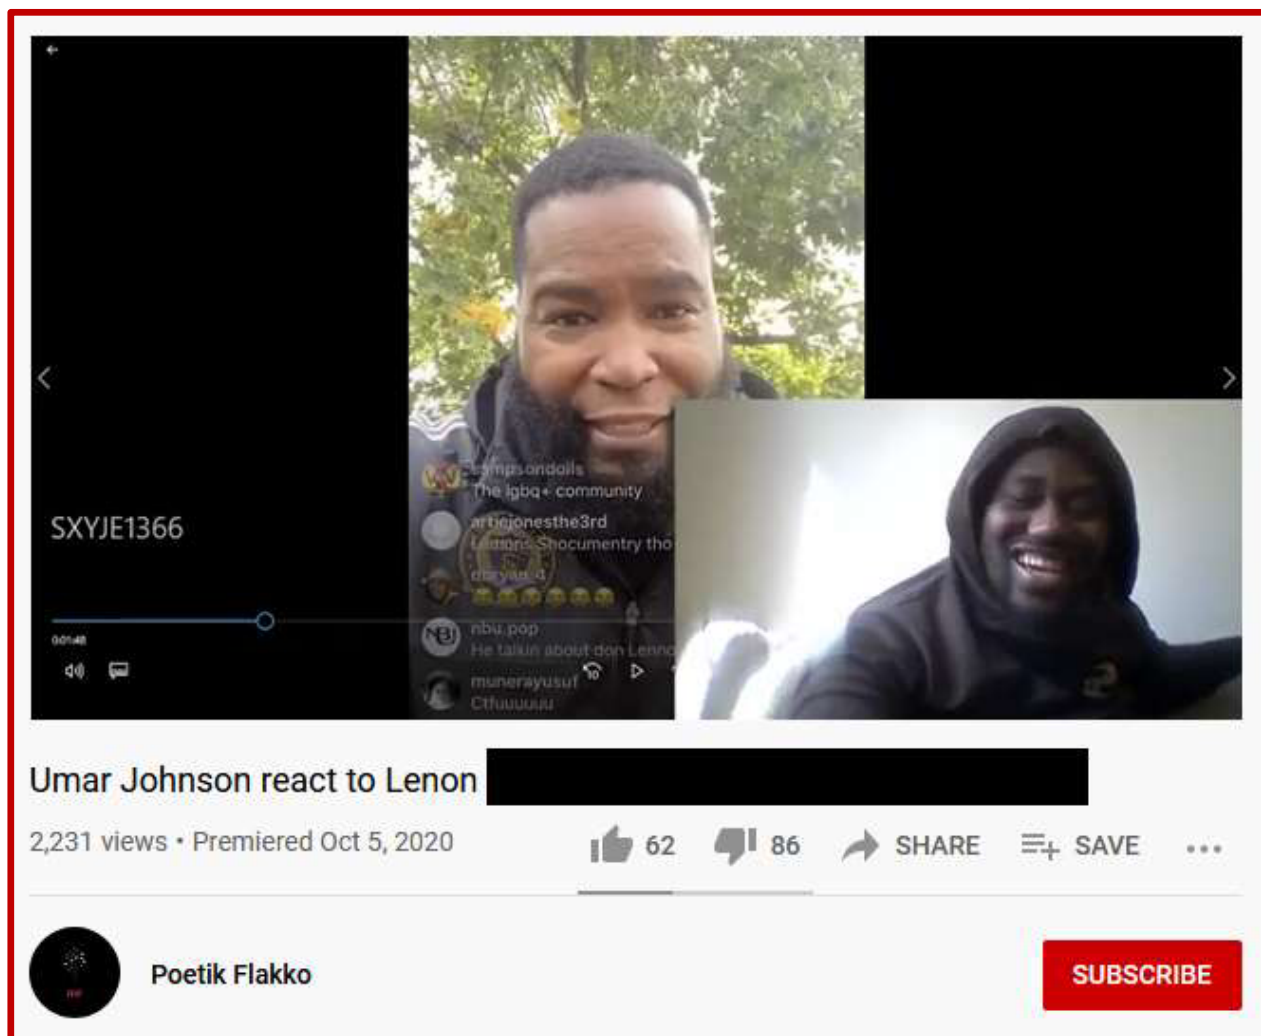

"D Derell unc' (uncle) just blessed a nigga!" - Poetik Flakko (aka Frederick Jallah)

"Had to show u love on the cash app nephew good job" - D Derell (aka Dempsey Spears)

Dempsey Spears (aka) "D Derell" sends money to Fredrick Jallah (aka) Poetik Flakko via Cash App for the assembly, production, promotion and presentation of false, misleading, defamatory, malicious and slanderous information about Umar Johnson's detractor (LH).

Umar Johnson encouraged (prior to) and signaled (afterwards) his approval of this conspiracy to attack his detractor (LH) with FALSE allegations of homosexuality.

"Look at Umar's Face ... Umar is Enjoing This ..." - Frederick Jallah
